LEARN TO SAIL

The RSYC Learn to Sail Course is a two day introduction to sailing designed for beginners and based on the International Yacht Training (IYT) coaching system. The aim is to give participants an understanding of how boats sail and the basic skills and manoeuvres required to control them. Upon completion, the students will be novice sailors with an enthusiasm for the sport and an interest in pursuing it further. A certificate is given on completion.

Tuition is provided by experienced and highly skilled instructors using a combination of practical instruction and theoretical teaching. You will sail in one of RSYC's Farr Platu 25 yachts and your instructors will aim to maximise practical learning on the water.

The aim of the International Yacht Training (IYT) sail and powerboat coaching system is to encourage a high standard of seamanship and navigation. IYT training is considered by many to be among the best yacht training systems in the world. Once you have

completed "Learn to Sail" successfully, you will be qualified to progress to further IYT courses. Details can be found at: <http://www.sailinasia.com>

Participants will be trained in: Basic Sea Safety - Nomenclature /Parts of the Yacht - Basic Knots - Rigging a Yacht - Points of Sail / Sail Trim - Use of the Helm
