### Trinity Orphanage Home's Sunset Cruise

It was an exciting and memorable experience for the kids at Trinity Orphanage Home who were treated to a fun day on board the Puteri Samudera sunset cruise. The cruise was organised by club member Lt. Cdr (R) Yeo who has been dedicating time and effort in organising such events for the community. These team building and development programs have been instrumental in shaping the younger generation, which is part of the club's corporate social responsibility initiatives.

### Recycle Bins

In our effort to go green, the club has placed three recycle bins near the pontoon guardhouse. With this initiative, it is hoped that club members and visitors would be encouraged to use the bins and promote environmental awareness on global warming.

### Launching Ceremony for a Rebuilt Classic Sailing Yacht

You may be aware that our member, Franz R. Hartstein has been carrying out an extensive rebuilding project on his classic 65 years old wooden sailing yacht *Ariel* in the Club's yard for the last 7 years. This painstaking project, which has seen Franz R. Hartstein personally replace practically all of the wood for the hull deck and interior, plus completely refit the vessel, is now very close to its conclusion.

On **Saturday, 11 August 2018 at 6.00PM** the Royal Selangor Yacht Club, along with Franz R. Hartstein, will hold a launching ceremony for *Ariel*, with associated celebrations. All RSYC members are invited to attend. Following launching there will be an opportunity to look around the yacht, and then an illustrated presentation by Franz R. Hartstein giving details of this beautiful yacht and of the project. Snacks will be provided and members are welcome to order dinner during the presentation.
