RSYC Young Sailors National Regatta

The RSYC team went on to participate in 2 big national ranking regatta events namely the PBT Pengerang – KFC Johor International Regatta 2018 from 19th to 22nd April 2018 and KFC 20th Tunku Laxamana NSC-PD Open Regatta 2018 on 4th to 6th May 2018 mainly in optimist and laser radial classes. It has been an exciting 2nd quarter for the RSYC young sailors, aged between 11 to 15 years old, who are both club members and those from the Westport programme.

This participation has opened up our young sailors mind to a bigger world and sailing network. Generally the sailing officials took notice of RSYC sailors' talent and made positive remarks about their improvements' since they have become increasingly competitive. A reason to be proud.

RSYC Pontoons

Professional divers were engaged to survey and assess the condition of the chains, anchor blocks and pontoon tie rings.

Based on the report's recommendations, we secured 2 new anchor blocks and chains on both end of Pontoon A.

The Sultan Pontoon work is in progress as we intend to add 2 anchor blocks with new chains to prevent the strong tidal current on the club side of the river that regularly causes adverse actions on the pontoon.

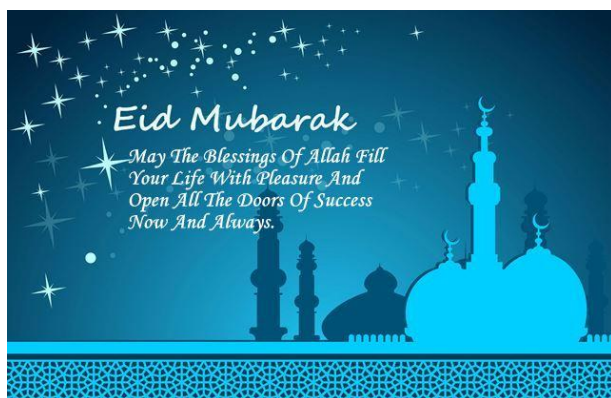

Boat Yard Fogging Treatment

Fogging treatment has been carried out at the boat yard sites for mosquito breeding prevention.

RSYC management would like to advise all boat owners to make sure that the boats are to be covered at all times. Your co-operation in keeping the Club clean is very much appreciated.

Hari Raya Puasa

The Royal Selangor Yacht Club management would like to wish all our Muslimin and Muslimat members Selamat Berpuasa and Selamat Menyambut Hari Raya Aidilfitri.

Yours sincerely,
ROYAL SELANGOR YACHT CLUB
