# 3 Days Family Fun Day Celebration - 20th to 22nd September 2019

Among the special events to celebrate this milestone in the Club's evolution, the Club will be organising a 3-days Family Fun Day Celebration from 20<sup>th</sup> to 22<sup>nd</sup> September 2019 (Friday to Sunday).

The proposed activities for the weekend will include boating and fishing accessories show and sale, Members' garage sale, live music, food stalls, activities for kids and many more. This will

be opened to families and friends of Club members and members of the public who may have an interest to join the RSYC.

Anyone interested to take part in any of the proposed activities may contact the Club Event Personnel at <a href="mailto:admin@rsyc.com.my">admin@rsyc.com.my</a>.

### 50 Golden Years' Gala Dinner on Friday, 25th October 2019

Mark this date in your calendar for October. The Club Committee will be pulling out all stops to have a grand party for our loyal Members. The Organisers will line up some great entertainment acts, prepare a commemorative anniversary book, door gifts, and other items befitting this milestone Golden celebration.

However, seats may be limited for guests as the Committee will wish to prioritise bringing as many as possible Club Members (and spouses) themselves to this Gala Dinner.

## 2 days Mini Regatta Pulau Angsa Race

It was unpredictable weather for the 6 teams who participated in the 2-days Mini Regatta held on the 22<sup>nd</sup> and 23<sup>rd</sup> June 2019. On Day 1, the race had to be shortened as there was little wind. Fortunately, the winds picked up on Day 2 to reignite the sailors' enthusiasm and challenge for an exciting finish to the race.

Congratulation to the new team Platu Amirah for finishing 1<sup>st</sup> - the team was taking part in the Club's weekend sailing activities for the first time!

If you want to find out more about sailing activities in the Club, kindly contact the Club Sailing Personnel at <a href="mailto:sailing@rsyc.com.my">sailing@rsyc.com.my</a>.

#### **Slipway Reconstruction Work**

The Club has constructed raised concrete embankments around the renovated slipway to add better protection against potential flooding during periods of exceptional seasonal high tides. A floodgate at the top of the slipway will be mobilised to prevent high tides from overflowing through the slipway onto the carpark areas.

## **Proposed Water Tank and Water Installation**

The Club had to suspend activities for a day in May, 2019 when a public water mains pipe ruptured and water supply to the Clubhouse was disrupted. To avoid such a severe recurrence to the Club's operations in future, the Club has secured an additional water tank to increase water storage on site. The tank will be installed behind the kitchen area in July after the site preparations are completed.

#### **Newly Appointed General Manager for RSYC**

On 1<sup>st</sup> June 2019, the Royal Selangor Yacht Club welcomed Mr Lee Pui Leng as the Club's new General Manager. He will be responsible to lead the admin and ground staff of the Club to run the daily operations of the Club.

He looks forward to meeting members of the Club and to be able to respond and to meet their suggestions and requests as much as possible with the support of the Committee and staff members.

An accountant by training, Mr Lee had previously served in various management positions in private and public-listed companies involved in trading, manufacturing, engineering and investment holding.
