The Club has opened a new sailing centre at the sheds facing the Club's main entrance for the youth training programme, including the Westports programme. After thorough cleaning and a new coat of paint, the classroom is now in operation. This new facility will be more spacious, conducive and safer than the sailing store which had concurrent boat repairs and

storage. The new classroom has electricity and fans. The keelboats can be properly stored and displayed, and provided with easy access and mobility.

### ❖ RSYC's 2020 KBC Series 1 Race 1

The Club's 2020 Keel Boat Challenge (KBC) Race, Series 1 began with the first race on Sunday 23<sup>rd</sup> February. This 3-series 5-races per series Challenge which runs throughout the year will have a total of 15 races to determine the overall winner. The competition is run on a league format with teams earning points from each race. The higher the position that a team finishes in one race, the team would be accorded a further advantage for the following race.

Interest in the KBC races have been encouraging with 7 boats taking part in Race 1 and there has been an encouraging stream of enquiries from potential new participants. Pending the availability of more boats, we hope to see more challengers to the 2020 KBC series.

The 2020 KBC Series 1 will continue with **Race 2 on Sunday 8<sup>th</sup> March** and **Race 3 a fortnight later on Sunday 22<sup>nd</sup> March**. Mark the dates!
