Raja Muda Selangor International Regatta 2020 (31st RMSIR) is ON!

This year's 31st edition of the RMSIR will be held over 9 days from Friday, 13th November to Saturday, 21st November 2020. Due to the prevailing Covid-19 pandemic and the consequent MCO regulations and SOPs, the Regatta this year will be a toned-down version and the element of an open competitive yachting race will be replaced by a less strenuous sailing adventure though still covering the three stages from Port Klang to Pangkor to Penang and to Langkawi. Fleet Sailing Program

The Club saw an increase in interest in the recent sailing activities of the Club with participation from several new skippers and their crews. Slots filled up quite fast for this fortnightly Club race. The Club is working hard to add another boat to the Club's fleet to provide for participation from more sailors. Looking at the calendar, with only two months to go before the Regatta, the organising committee decided to start a new and final series of the KBC with a potential of 4 race days. The next two race days will be on the 6th September and 20th September, 2020. Interested members, including boat skippers in need of crew members, please contact the Club Office

or email sailing@rsyc.com.my early.
