RMSIR 2020 Update – Another victim of Covid-19!

This poster was the promise of another exciting Raja Muda Selangor International Regatta this year, supposedly the 31st instalment of one of the proudest traditions of the RSYC!

Alas, it will not be. The on-going coronavirus pandemic has put paid to our enthusiasm in organising this year's Regatta which the Club Committee had to, reluctantly, put on hold. Unless the situation improves, the Club will have to give the Regatta a miss this year.

Plans for an alternative event, on a more modest scale, may be organised should the CMCO regulations lighten up enough to allow it.

Passes required for Contractors w.e.f. 1 November 2020

The Club will be introducing passes to contractors and their employees who seek access to carry out their work in the RSYC premises and grounds. This will be put on trial with effect from 1 November 2020.

This is to ensure proper registration for CMCO compliance and to maintain better security. Third parties who will be carrying out work at the boat yards, slipway or boats at the pontoons will be required to register.

Please give your full cooperation to the Club and Security personnel in carrying out their duties to implement and monitor this new initiative. Any constructive feedback will be most welcomed.

Members and contractors are advised to check with the Office, the Security personnel and the Notice Boards and Club website for more details.

Cancellation of Club Events

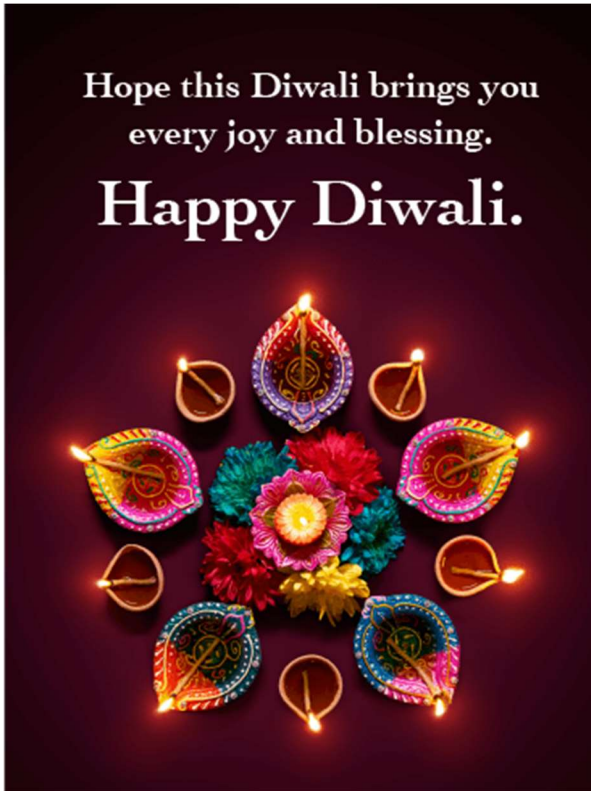

It is with deep regret that the Club Committee informs that the Club will have to cancel two other major events for the remaining period of 2020. These are the **annual RSYC-Pengail fishing competition** normally held in December and the **New Year Eve's Party**.

The Committee hopes Members understand the need to do this and that everyone is complying with the SOPs and health advisories to keep us all safe until the pandemic is brought under control.

To all our Hindu members, staff and friends, may the Deepavali lamps of joy illuminate your life with endless happiness, prosperity and good health!

Hope this Diwali brings you
every joy and blessing.

Happy Diwali.

Diwali, Divali or Deepavali, is an ancient Hindu festival to celebrate the victory of light over darkness, good over evil, hope over despair and knowledge over ignorance.

Hindu homes will be decorated with welcoming rangolis or kolams, and diyas or earthen lamps are lit to acknowledge the presence of Lakshmi, the goddess of wealth, Goddess Kali is worshipped in Bengal and, in north India, the festival commemorates the time when Lord Rama returned to Ayodhya with Sita, Lakshmana, and Hanuman.

May you have a very Happy Deepavali on 14 November 2020!
